TEASER

There are five demons in white robes chanting in a circle. They are kneeling in front of a pitch black urn that has been placed in the very center of the circle. They begin to chant.

DEMONS

Seperta Nunberio Satam Cladia
Moveria

One of the demons takes his hood off.

His eyes are fully black. He picks up the urn...then, one of the other demons hands him a sharp blade. The demon holding the urn cuts his hand and pours his blood into the urn.

The urn begins to produce a bright, yellow light when all of a sudden, the cave wall behind the demons explodes and you see two shadows standing side by side within the smoke. They come from out of the darkness to reveal their faces. It's is a young man and an even younger woman.

(Chris and Brandy Cyper)

CHRIS

Oh...Did you start the ritual
without us?

BRANDY

Gee, these demons don't have any
manners!

One demon summons a fire ball and lunges it toward Chris. Chris puts his hand out and using telekinesis to lung it right back at him. The demon ducks out of the fireball's path with hast. Chris then conjures fire and throws it towards one of the demons that quickly exploded into fire and ashes.

DEMON

Kill them!!!

(CONTINUED)

All four remaining demons conjure fire and energy balls, ready to release them into the air only for Brandy to freeze them and the demons. She then makes quinces her eyes and their fireballs explode and the demons with them.

Brandy smiles.

BRANDY

That's how a real witch gets it done! I mean, your whole...fire thingy was alright and all, but I took out four demons at the same time! Give me my props.

CHRIS

Props? For what? They couldn't move!

Brandy rolls her eyes showing that she's annoyed with her brother. Chris walks over to the urn and picks it up from off the ground. There is a long pause.

BRANDY

What is it?

CHRIS

I don't know. But whatever it is...
I doesn't look good.

Brandy sighs.

CHRIS

Let's get out of here.

Brandy walks over to Chris, gets a bottle with a bright purple potion inside of it and throws it to the ground. It breaks, releasing purple that smoke. They disappear.

PROFESSOR GOODMAN

The Professor calls on a student.

PROFESSOR

Umm... Ms. Williams.

(OFF SCREEN)

HOLLY WILLIAMS

Magic is...

Chris and a girl (TIFFANY WILSON) sitting down next to each other.

(Holly's voice is lowered.)

CHRIS

I swear, there's not a single person on this Earth that is as bored as I am right now.

TIFFANY

Tell me about it. We're supposed to be at university and I feel like I'm sitting in a ninth grade class room.

CHRIS

We need to be learning about our powers and how to use them!

TIFFANY

Wait, you're one half of the all powerful Gifted ones, you know all about your powers and how to use them. Why are you even here? You should be the one teaching this class!

CHRIS

Woah! Lets not get ahead of ourselves. I just meant... well I thought college would be

CHRIS (cont'd)
new...exciting, but it turns out
just like high school, only more
boring.

TIFFANY
I still think you've got it easy.
Your sister probably knows more
magic than I do.

CHRIS
She sure does act like she does.
Last night she totally showed off
and vanquished all the demons! How
come she gets the cool powers?

TIFFANY
Chris, you sound like a sixth
grader. Don't tell me you're
jealous?

CHRIS
I am not jealous of my 15 year old
sister!

Tiffany laughs.

TIFFANY
Just a little bit.

CHRIS
I'm not jealous! I just wish she
would stop thinking she's
invincible. That how people get
hurt... or worse. And she has four
powers! I have three, that's just
not right!

TIFFANY
Stop being silly, you can make
fire, and move stuff with your
mind, lets not forget that you can
see the future. And coming from the
girl that only has one pesky power
that she can't get to work right...
I say your lucky for what what you
have.

Chris sighs.

CHRIS
Wait...can't you shape shifters get
the abilities of whoever you decide
to turn into?

(CONTINUED)

TIFFANY

Well, yeah but that's not the point!

CHRIS

Yeah, I guess your right. How do you do that?

TIFFANY

Do what?

CHRIS

Keep me calm.

TIFFANY

I guess it's an unseen power.

The both give each other smiles and then a little kiss.

(Derick Manson)

DERICK

Hello Brandy.

BRANDY

Hey, Derick.

They begin to walk down the halls of there high school.

DERICK

So, where were you last night? I tried calling but...no such luck.

BRANDY

Well, that's none of your business.

DERICK

You didn't, I mean, you weren't out on a date were you?

(CONTINUED)

BRANDY
I'm not telling.

DERICK
Oh, yeah, I mean, I understand.

He looks the other way and is about to walk off but then Brandy gives in.

BRANDY
I'm just messin' with you! I was out all night killing demons.

DERICK
Oh. Wait what?

BRANDY
Vanquished four!!!

She smiles and looks proud of herself.

DERICK
Wow.

BRANDY
Yep!

DERICK
That's a big deal Brandy! I mean, I'm 15 years old and...well, I've never even seen a real demon before.

BRANDY
Trust me, you don't want to. They're not exactly the most friendly of folks.

DERICK
You are so cool!

BRANDY
You should try telling that to Ashley Kennedy! She was totally crackin' on me in Potions today.

DERICK
She's just jealous.

BRANDY
I could blow her up you know...or make her drown!

Derick looks at her, shocked.

BRANDY
Hypothetically... of course.

She laughs forcefully. Derick smiles.

DERICK
You're a very special girl.

BRANDY
I know...I'm gifted.

DERICK
You don't seem very happy about it.

BRANDY
What's there to be happy about? I'm half of the all powerful Gifted ones! That means instead of me going out on dates and... having sleepovers, dreaming about who's going to talk me to prom, I have to go out and hunt evil! Risking my life, by the way, while I'm doing it!

DERICK
Oh.

BRANDY
Yeah, being me really does suck.

DERICK
Who are you kidding? I would kill to have your life! Except the whole...

Derick waves his hand up and down Brandy's body, looking at her chest.

DERICK
...girl...thing.

Brandy sighs.

DERICK
Come on Brandy! Lighten up!

Brandy smiles.

The continue to walk.

DERICK
Could you really blow her up? Cause that would be awesome!

DEMON

LORVAZ

...And you shall have her, soon.

DEMON

Well, just how soon is soon?

LORVAZ

Have patience.

DEMON

Patience is for mortals! We don't have anything to fear! They're just children, and the entire Halliwell line has been wiped out! It say we go now!

Lorvaz lifts his hands up and the demon is instantly set on fire soon after he explodes.

Well, you have been a bit busy lately. With school and with the demon stuff... I'm just glad we finally have some time all to ourselves.

CHRIS

Tell me about it.

Tiffany turns to Chris and kisses him. As they continue to kiss, Chris guides Tiffany to the sofa. They both sit down.

CHRIS

What about dinner?

TIFFANY

I'm looking at him.

They smiles and begin to kiss again. Then out of nowhere something rings. It's Chris' cell phone.

Chris runs over to his mothers body.

CHRIS
No! Mom! No!!!

Brandy comes up to the door. Chris looks at Brandy.

CHRIS
How long has she been like this?!

BRANDY
I found her when I came home from school.

CHRIS
What, did you even think about calling 9-1-1? Why didn't you call me sooner?

BRANDY
It didn't matter! I was too late!
She was already...

Brandy looks to the ground. Chris sees the burn marks on her chest.

CHRIS
It was a demon?

BRANDY
Yeah.

CHRIS
You should have told me!

BRANDY
I... I don't know what's happening!
I just found her like this!

She begins to cry.

CHRIS
I'm sorry. I know this is hard.

Chris gets up and starts to leave the room.

BRANDY
Where are you going? What are you
going to do?

CHRIS
I'm gonna find the thing that did
this, and I'm gonna kill it!

BRANDY
Kill it? How? You don't even know
who did this! How are you gonna
find em'?

CHRIS
Just like you find everything

BRANDY
I understand that part! But, how?

CHRIS
I don't know yet. But I'm going to!

BRANDY
Okay, where should we start
looking?

CHRIS
We? No, there's no we! There

CHRIS
I said no! You're not coming!

CHRIS

Maybe, but you not going! Call
Tiffany, it's not safe here. You

BRANDY

Days? How long were you do you
think you'll be gone?

CHRIS

I don't know...as long as it takes.

BRANDY

This is crazy!

CHRIS

Look! I can't risk you getting
hurt! I lost mom and I'm not losing
you too!

BRANDY

You're not the only one that lost
her!

Chris looks to the floor.

BRANDY

Fine. But, when you come home
looking at me for help-

CHRIS

- Just, do what I tell you to!

Brandy looks upset.

CHRIS

I love you. I'll find this thing
and I'll bring his ashes back with
me.

BRANDY

Go!!

She says cautiously.

Chris runs downstairs and you hear the front door opening
and then closing.

VICTOR
Oh, it's you.

CHRIS
Nice to see you too man.

VICTOR
What do you want?

Chris sighs.

CHRIS
Your help.

Victor looks at Chris.

VICTOR
My help? Why does a witch as powerful as you need my help?

CHRIS
I need you to locate a demon for me.

VICTOR
Oh, well if that's the case, you've come to the right person. What's the name?

(CONTINUED)

CHRIS
I...I don't know.

VICTOR
You don't know? How am I supposed
to find him if I don't know where
to look?

CHRIS
I didn't know that you needed to.

VICTOR
My powers come with it's limits?

CHRIS
There has to be some kind of way...

VICTOR
There isn't. I need something of
there's. A shirt, a piece of their
hair, anything!

Chris looks down and sighs.

VICTOR
Why do you need to find him anyway?

CHRIS
I don't want to talk about.

Chris says sadly.

VICTOR
Come on... what's up?

Victor looks curious.

CHRIS
He... He killed my mother.

Victor looks at him, shocked.

VICTOR
What? Why?

CHRIS
I don't know? All I know is that
she's gone.

VICTOR
Oh, man... I... I don't know what
to say.

Chris sits down in a nearby chair.

VICTOR

She didn't do anything wrong! If there's anything I can do, just name it!

Chris looks up at Victor.

CHRIS

Yeah, you can help my find the demon who did this.

VICTOR

I already told you, not unless you have something of his.

CHRIS

Maybe I do.

VICTOR

What? You got something?

CHRIS

Maybe.

VICTOR

Well, what is it?

CHRIS

Last night, when me and Brandy went demon hunting, we found this cave full of demons. They were performing some sort of ritual.

VICTOR

Yeah, yeah what's the point?

CHRIS

The point is, they had this urn and I have it.

VICTOR

You think they were workin' for the guy you're trying to find.

CHRIS

Maybe. That's probably why they came to my house and...

Chris' eyes widen.

CHRIS

Oh my god, Brandy!

(CONTINUED)

VICTOR

What? You think they were after her?

CHRIS

Come on! We got to go!

Chris runs out the door and Victor follows him.

Cut scene to a cave. The same cave that Lorvaz and the other demons were in earlier. We see Lorvaz dragging Brandy on the ground. She is tied up. Lorvaz drops her on the ground.

BRANDY

What do you want with me?

LORVAZ

What? No hello...how are you doing?

Brandy looks confused.

LORVAZ

You vanquished 5 of my demons last night.

BRANDY

So, that's what you want? That's why you killed my mom? For revenge!

LORVAZ

Revenge, among other things.

BRANDY

What other things?

LORVAZ

There's an ancient prophecy that states, "When the Charmed Line has been destroyed, demons will rule Earth."

BRANDY

You don't rule anything!

LORVAZ

Exactly. We need something for that to happen. We need the blood of the Gifted Ones.

BRANDY

Why?

LORVAZ

I wouldn't want to ruin the
surprise for you.

BRANDY

I hate surprises.

LORVAZ

Too bad! Cause you're in for one
hell of one. Well, maybe not you
because you'll probably be dead
before we even begin the ritual
so...

Lorvaz smiles.

The camera shows two demons walking toward Lorvaz. The two
demons grab Brandy, and ties her to a wall with chains.

One of the demons hands Lorvaz a knife.

BRANDY

Even if you kill me. You won't get
away with this! My brother will
come looking for you!

LORVAZ

Oh... I'm counting on it.

Lorvaz stabs Brandy in her gut.

Brandy's eyes widen and she screams in pain.

VICTOR
Wait, what are we gonna do!

CHRIS
You're gonna find him, and I'm

VICTOR
Yeah, but if he really wanted this

CHRIS
So?

VICTOR
So, maybe he wants you to find him.
It's a trap!

CHRIS
I don't care! I lost mom and I not
losing her too! Okay?

VICTOR
Yeah, but...

CHRIS
But what!?

VICTOR
I...nothing. I'll get started.

Chris nods his head.

owned this urn.

CHRIS
You gotta be kidding me!

VICTOR
Nope.

CHRIS
Well, can you narrow it down to
it's latest owner?

VICTOR
I'm not sure.

CHRIS
Well, what do you see?

VICTOR
I see... Oh my god!

CHRIS
What now!?

Chris walks over to Victor who opens his eyes.

VICTOR
I saw Brandy.

CHRIS
Thank goodness! So, where is she?

VICTOR
I know where she is but...

CHRIS
But what?

What...what does that mean...

VICTOR
She dead.

Chris just looks at Victor with anger.

There is a long pause.

VICTOR
I'm sorry.

Victor looks to the ground. Tears come down Chris' eyes.

CHRIS
That demon has taken everything
away! When I find him, he's dead!
Where is he!!!!?

VICTOR
He's underground. In some sort of
cave near Hadley Road.

CHRIS
I know that cave. It's the same
cave me and...

Chris looks down.

VICTOR
You can't go, Chris. They killed
your mom and Brandy! They are too
strong.

CHRIS
I don't care.

VICTOR
I do! You're my best friend! I
can't let you go!

CHRIS
I'm going!

Chris tries to walk past him but he pushes him back.

VICTOR
I'm not gonna let you get killed!

CHRIS
I'm not going to.

Chris punches Victor in the face and Victor falls to the ground.

CHRIS
Sorry, man.

CHRIS
What did they do to you?

Lorvaz teleports behind him.

LORVAZ
She was stabbed and she bleed to death.

Chris turns around and looks at Lorvaz with anger.

LORVAZ
Such a shame.

CHRIS
Who are you?

LORVAZ
I'm Lorvaz. Yeah, I'll be killing you soon, just like I killed your family.

Chris punches Lorvaz in his face.

LORVAZ
Ouch! That hurt, a little.

Lorvaz smiles.

(CONTINUED)

Then all of a sudden, dozens of demons teleport around Chris. He is trapped.

CHRIS
Why are you doing this?

LORVAZ
I'm evil!

CHRIS
You're not gonna make it out of here alive!

LORVAZ
I really don't think you're in any position to be making threats. You're surrounded kid. There's no way around us!

CHRIS
Wanna bet?

Chris shoots a fireball at one of the demons and the demon explodes.

The rest of the demons summons energy balls and are about to kill Chris.

LORVAZ
Wait! Don't kill him you idiots!

Chris looks at Lorzvaz with confusion.

CHRIS
Did I miss something here? I thought you wanted me dead!

LORVAZ
We do, but not until we get your blood!

A demon attacks Chris from behind. Chris falls to the floor.

The camera fades to black for a few seconds. Then the camera opens to Chris in the clouds. Brandy and Chris' mother, Lena, appears.

LENA
Chris.

CHRIS
Mom?

Chris sees Brandy.

CHRIS
Brandy?

LENA
Chris, you have to wake up.

CHRIS
Am I dead?

LENA
No! Not dead, just unconscious.

CHRIS
Where am I?

BRANDY
That's not important.

LENA
You have to stop what is about to happen! You have to wake up before it's too late!

CHRIS
Before what's to late?

BRANDY
Before he comes back!

CHRIS
Who? Before who comes back? What do they want from us.

LENA
We have told you all that we can.

BRANDY
Good-bye, Chris.

Chris and Lena turn around.

CHRIS
Wait!

They turn toward him.

CHRIS
I'm sorry.

LENA
This wasn't your fault. It was our time.

BRANDY

But, it's not yours.

Chris looks down.

LENA

Wake up, and embrace your destiny.

The camera fades to white and we see Chris tied in chains.

Lorvaz is in front of him.

Chris opens his eyes.

LORVAZ

Finally awake.

Chris notices a sharp pain in his arm. The demons already took his blood. There are four demons chanting in a circle just like in the beginning of this episode. There is an urn just like the one that Chris has at home.

CHRIS

What are you trying to accomplish by doing this?

LORVAZ

I'm going to tell you just what I told the little girl.

CHRIS

Brandy! Her name is Brandy!

LORVAZ

Was, you mean? Your sister is dead and she won't be coming back any time soon so...

CHRIS

When I get out of these chains, and trust me, I will, you're gonna be a "was" too!

LORVAZ

I don't think so. See there's nothing you can do to stop what is about to come to pass.

CHRIS

Why don't you tell me what that is?

(CONTINUED)

LORVAZ
It's a surprise.

DEMON
Master? We are ready to begin.

LORVAZ
Watch.

Lorvaz walks over to the four demons and joins them in the circle. The urn is in the center.

DEMONS
Seperta Nunberio Satam Cladia
Moveria

Lorvaz looks over at the Chris but there is nobody in sight.

LORVAZ
Where is the witch!!!?

CHRIS
Over here!

Lorvaz turns around and Chris uses his telekinesis power to throw Lorvaz across the cave. The other demons get ready to attack him.

LORVAZ
End him!

The demons all attack Chris. One of the demons throws an energy ball at him. Chris puts his hand out and the energy ball fly back toward the demon. Another demon starts to attack.

The camera cuts to Lorvaz still on the ground. He crawls to the circle and takes a container out of his pocket. It is filled with blood. Gifted blood.

Lorvaz pours the blood into the urn in the center of the circle and the urn starts to produce a bright light.

Cut to Chris vanquishing demon. There is one demon left. The demon throws a fire ball at Chris and he ducks out of it's way. Then Chris throws him across the cave and the demon is impaled by a sharp stone that was sticking out of the wall.

Cut to Lorvaz.

LORVAZ
Seperta Nunberio Satam Cladia
Moveria!!!

Chris looks at Lorvaz.

CHRIS

NO!!!

Chris runs over to Lorvaz but he is too late.

The urn explodes and the light turns into flames. The flames are so strong that it vanquishes Lorvaz.

Chris wasn't close enough to the urn to be killed. But, the flames pushed him to the other side of the cave onto the wall.

There is a lot of smoke in the cave and nothing can be seen.

Chris sees a figure in the smoke. He can't see him clearly. When the smoke clears up, Chris sees his face.

The camera doesn't show his face though, only Chris backing away.

CHRIS

No!!! It can't be! You're dead!!!

Then all of a sudden we see a fireball fly toward Chris and Chris explodes.

Cut scene to Chris' eyes opening. He is in his bed, sweating and breathing hard.

It was all a dream.

CHRIS

Oh my god.
